State of Mississippi
County of Tishomingo

On this the 6th day of February 1851 personally appeared before me an acting Justice of the Peace and for the said county Elbert Kent who being duly sworn according to Law declares that he is aged 62 years & a resident of Tishomingo, Mississippi that he is the identical individual individual who was a private in the company of Capt Greig Johnson - Mississippi Territory ~~Madison~~ Fort (forgot name) Col Powers - San Jackson - in the war with Great Britain declared by the United States June 18, 1812 - that he volunteered at Madison for Miss Territory and was mustered in service at Huntsville, Miss, Tenn, on or about the 10th of October (he thinks) or he may be mistaken in the time) 1813 for three months - that he was stationed on the frontier of Madison County as spies - he thinks he might have been in service actual - some two months - then the company went to Huntsville at their homes and ~~carried~~ ~~at~~ ~~that~~ time - then were ordered to Fayetteville, Tennessee, where he received an honorable discharge and was paid for a three months tour - (although he don't think he was in actual service quite three months) - he thinks it was on or about the 15th of February 1814 - that his discharge is lost - he don't know how, where, or when, he has not seen it for 20 years and has no reason to believe it in existence.

He makes this declaration for the purpose of obtaining the benefit of the Act passed Sep 28 1850

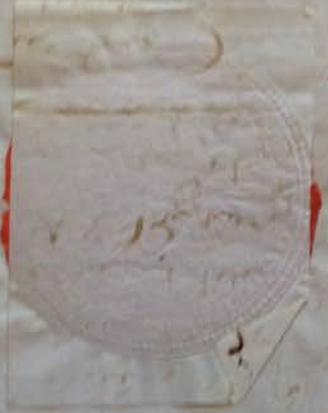

He requests his warrant when issued to be sent to Reynolds & Kingston Jacinto Tishomingo Mississippi
