THE UNITED STATES OF AMERICA,

To all to whom these Presents shall come, Greeting:

Whereas, by the 3d section of the act of Congress approved June 2d, 1858; entitled "An act to provide for the location of certain confirmed Private Land Claims in the State of Missouri, and for other purposes," it is enacted "that in all cases of confirmation by this act, or where any private land claim has been confirmed by Congress, and the same, in whole or in part, has not been located or satisfied, either for want of a specific location prior to such confirmation, or for any reason whatsoever, other than a discovery of fraud in such claim subsequent to such confirmation, it shall be the duty of the Surveyor General of the district in which such claim was situated, upon satisfactory proof that such claim has been so confirmed, and that the same, in whole or in part, remains unsatisfied, to issue to the claimant, or his legal representatives, a certificate of location for a quantity of land equal to that so confirmed and unsatisfied; which certificate may be located upon any of the public lands of the United States subject to sale at private entry at a price not exceeding one dollar and twenty-five cents per acre: *Provided*, That such location shall conform to legal divisions and subdivisions." And, in the 4th section of the said act, it is declared "That the Register of the proper land office, upon the location of such certificate, shall issue to the person entitled thereto a certificate of entry, upon which, if it shall appear to the satisfaction of the Commissioner of the General Land Office that such certificate has been fairly obtained, according to the true intent and meaning of this act, a patent shall issue as in other cases."

And whereas, on the 10 day of September, A. D. 1902 the Surveyor General of the United States for the State of Louisiana, in conformity with the provisions of the act aforesaid, issued his Certificate of Location numbered 1058 A to 1058 W3, inclusive, each for Eighty Acres, and his certificate of location aggregating 3943.10 acres, in full satisfaction of the unlocated and unsatisfied claim of Francois Grappe, entered as number 29 Class B.

And whereas it appears by certificate number 462 of the Register of the United States land office at New Orleans, in the State of Louisiana, which said certificate has been deposited in the General Land Office of the United States, that by virtue of the Surveyor General's certificate, as aforesaid, numbered 1058 D.2, for 40 acre,

there has been located the following-described tract of land in part satisfaction of the aforesaid claim by Walter Campbell Kent, assignee of the aforesaid Surveyor General's certificate, the Lot numbered five of Section twenty, in Township one South of Range five East and the North West quarter of the North West quarter of Section fourteen, in Township three South of Range four East of St Helena Meridian in Louisiana, containing forty-seven acres and nine hundredths of an acre.

according to the official plat of the survey of the said land, returned to the General Land Office.

Now know ye, that the United States of America, in consideration of the premises, and in conformity with the aforesaid act of Congress of June 2d, 1858, have given and granted, and by these presents do give and grant, unto the said Walter Campbell Kent or his legal representatives, the tract of land above described; To have and to hold the same, together with all the rights, privileges, immunities, and appurtenances, of whatsoever nature thereunto belonging, unto the said Walter Campbell Kent, or his legal representatives, and to his or their heirs and assigns forever.

In testimony whereof, I, Theodore Roosevelt, President of the United States of America, have caused these letters to be made patent, and the seal of the General Land Office to be hereunto affixed.
